

Tokyo Duo Scoop Top Clown Award

The Clown's International 'Joey Award 2002' for best international clown act goes outside of Europe for the first time this year. Female clown duo Rone and Gigi from Tokyo (pictured) stunned audiences at last year's Bolton Clownfest with their superb original mime act.

The Clown's International president, Ron Moody will present the trophy at CI's

official awards evening on November 8 at the Holiday Inn, Hemel Hempstead.

"The awards dinner will be a truly International gathering," said former Paulo's Circus clown, and new CI chairman John Cooper, "with clowns from Belgium, Holland, Denmark as well as the Far East attending to celebrate an incredible year for CI."
